

# GET REAL Involved!

**SATURDAY FEBRUARY 19, 2010**

**9:00 am - 2:30 pm**

## **Child & Youth Services Project**

There are children in Tampa Bay who need love & attention, or just someone with whom to share a smile! GET REAL Involved! will be working to provide that support by spending time with an area Children's Services Organization.

Our tasks may include sorting merchandise for a thrift store, or more direct hands on attention to children in need via a daycare/recreation type activity.

Register online! And bring this signed slip with you Saturday morning!
